AUSTRALIAN STUD BOOK

ASB issued Documents of Description (passport or foal identification card) for each horse nominated should accompany this entry form. It is a requirement that all horses entered for sale be branded and microchipped in accordance with the new identification process from the ASB. This procedure must be completed prior to commencement of sale.

VETERINARY REPORTS ON BROODMARES

Vendors of maiden or barren mares are encouraged to have their veterinarian complete a "veterinary report on broodmare for the sale" and lodge it with the sale day office prior to the sale. These reports will be available for viewing by prospective purchasers during the course of the sale. Mares in foal must be tested within seven (7) days prior to the sale. Please contact the office if you require your mare(s) to be tested at Newmarket on the day of the sale.

BLOOD TESTING FOR STEROIDS

Under our Conditions of Sale all horses sold at this sale (excluding broodmares, weanlings and foals at foot) are eligible for a post-sale blood test for anabolic androgenic steroids and receptor modulators. This test will be conducted at the purchaser's request and expense. For further information please read Condition 14 of the Terms and Conditions of Sale as listed on our website.
