Veterinary Certificate – Breeding Soundness

Horse: **High Expectations**
3yo chestnut filly
985 100 012 126 292

Location: Brideoake Racing, Wellington Park, Moorooduc, VIC

Date: 29th April 2021

High Expectations was examined to determine suitability for use as a broodmare.

Vulva, vestibule and clitoris were examined. No clinically significant abnormalities were detected. Vulva conformation was good.

Vagina and cervix were examined and visualised per speculum. No clinically significant abnormalities were detected.

Both ovaries (left and right) and uterus were examined per rectum. No significant abnormalities were detected.

Udder and mammary glands were examined. No clinically significant abnormalities were detected.

Ultrasound examination or other further tests were not performed.
