 - (a) Subject to any reserve price, the highest bidder shall be the purchaser.

 - (c) The auctioneer may, in case of a dispute or any other problem with a sale, elect to re-offer the lot for sale.
 - (d) The auctioneer can refuse to accept any bid which in the auctioneer's opinion is not in the best interests of the vendor. The auctioneer does not have to give a reason for refusal.
 - (e) A bidder is taken to be a principal and shall be liable as such unless, prior to the bidding, the bidder has given the auctioneer a written authority, in a form acceptable to the auctioneer, whereby the bidder is authorised to bid for and on behalf of another person as his principal, and the auctioneer agrees to accept bids on that basis.
 - (f) In the case of an unreserved sale, the vendor has the right, subject to compliance with any statutory notification requirements, to bid one or more times, and to buy the lot if the highest bidder.
 - (g) If a vendor wishes to impose a reserve price, he must give a written instruction to the auctioneer specifying the reserve price prior to commencement of the auction. In the absence of such instructions, the auctioneer may sell without any reserve price.
 - (h) The auctioneer shall have the right to bid as agent of the vendor on any lot on which a reserve price has been placed up to that reserve price.
 - (i) The auctioneer has the right to determine an upset price for each lot, and if no bid at or above the upset price is made within 30 seconds then the auctioneer may pass in the lot.
 - (j) The option of the last bidder to buy a passed-in lot at the reserve price must be exercised before the lot leaves the sale ring.
 - (k) The auctioneer may withdraw any lot from sale without being obliged to give a reason for doing so.
 - (l) Any auctioneer's announcements on the day of the sale which are announcements from the auctioneer's stand will take precedence over:
 - (i) These conditions of sale;
 - (ii) Any statements in the sale catalogue; or
 - (iii) Any other written or oral statement, particular or representation previously published or made.
 - (m) The auctioneer, in its absolute discretion, reserves the right to exclude any person/s from the sale venue.
- 1.3 Any further or different conditions relating to any sale or any lot or any purchaser must be recorded in writing and signed prior to the auction by or on behalf of the vendor, the purchaser and the auctioneer, and if not so recorded shall be of no effect.

2. OUTSIDE SALES

A lot entered for sale at the auction may be sold outside the auction only in accordance with the following provisions:

- (a) No lot shall be sold privately prior to the auction without the prior written consent of Inglis.
- (b) In the event of any prior sale, Inglis shall be entitled to commission as if the lot was sold under the hammer, and the vendor shall provide Inglis with full details of any such sale.
- (c) Any lot passed in at the auction shall, unless Inglis waives this condition, remain on sale at the reserve price for a period of one month. Inglis shall be entitled to commission on any lot so sold, as if it were sold under the hammer. Any person wishing to make an offer on a passed in horse should contact the designated Inglis staff member for private sales who will make the offer to the vendor. If the offer is accepted by the vendor the sale can be completed at the Sales Day Office by way of the purchaser signing the Acknowledgement of Purchase document and the Sales Day Office staff receiving verbal confirmation of the sale by the vendor.

3. FALL OF THE HAMMER

- 3.1 Upon the fall of the hammer the purchaser shall give his name and address, and such other information as may reasonably be required, to Inglis.
- 3.2 As soon as is practicable after the fall of the hammer, the purchaser must sign a contract or such other memorandum or acknowledgement of the purchase, as Inglis requires.
- 3.3 If the purchaser (hereinafter referred to in this sub condition as the initial purchaser) fails to comply with the requirements of condition 3.1 and/or condition 3.2, then Inglis may elect to declare the initial purchaser in default and cancel the sale and resell the lot. If on resale of the lot a lower price is obtained then the difference in price plus any expenses of the resale shall be a debt owing by the initial purchaser to the vendor payable on demand, with interest at the rate of 15% per annum from the date of demand until payment.
- 3.4 The auctioneer is authorised to execute a contract, memorandum, sale book, or other acknowledgement of a sale on behalf of both the vendor and the purchaser, and any such action by the auctioneer shall be binding on the parties.

- 4.2 Inglis must pay the proceeds of sale to the vendor within forty two (42) days of the sale unless arrangements have been agreed to in writing between the vendor and Inglis.
- 4.3 Prior to paying the proceeds of sale to the vendor, Inglis may deduct all of its fees as set out on the entry form or otherwise agree in writing.
- 4.4 Inglis does not need to pay the vendor unless:
 - (a) The vendor has executed all documents and done all other things necessary to permit registration of a transfer of the title to the lot in the name of the purchaser;
 - (b) If the vendor is not identical with the registered owner, the vendor has produced to Inglis such evidence as Inglis reasonably requires by way of evidence of the vendor's authority to receive the purchase price; and
 - (c) Inglis is satisfied that it will receive payment of the purchase price from the purchaser.
- 4.5 The net proceeds of sale is a debt owing by Inglis to the vendor.
- 4.6 Upon the payment of the net proceeds of sale from Inglis to the vendor, title of the lot passes to Inglis.

CONDITIONS OF SALE

- 4.7 If the vendor agrees to extend any credit terms to the purchaser, then Inglis shall be under no obligation to the vendor as to collection and payment of the purchase price. In any such case the vendor shall remain fully responsible for the due payment to Inglis of the commission and all other moneys owing to Inglis in connection with the auction and sale of the lot, whether or not the vendor is paid by the purchaser.
- 4.8 Any such arrangements must be in writing and executed by the vendor, purchaser and Inglis.
- 4.9 Inglis has the discretion to identify the terms of payment for any purchaser.
- 4.10 This clause may be varied at any time provided Inglis gives written notice of the change of terms and conditions prior to the commencement of the auction.
- 5. PAYMENT BY THE PURCHASER**
- 5.1 Upon the fall of the hammer the full purchase price shall become due and payable and shall be paid by the purchaser to Inglis in cash in Australian currency within sixty (60) minutes of purchase in respect of each lot purchased by that purchaser, unless other arrangements have been agreed to in writing by Inglis.
- 5.2 If the purchase price or any part thereof is not paid in accordance with condition 5.1, then the purchaser is liable to pay interest on the outstanding balance at the rate of 15% per annum calculated daily in arrears from the date of sale up to and including the date of payment.
- 5.3 If the purchaser (hereinafter referred to in this sub condition as the initial purchaser) defaults in the due payment of the purchase price or any part thereof or any interest thereon or any other moneys payable by the initial purchaser under these conditions of sale then:

- 5.4 Any potential bidder seeking credit or finance from Inglis must enter into a credit or finance arrangement with Inglis prior to the sale. Any such arrangement shall be between Inglis and the bidder as principals, and shall not involve the vendor nor form part of any sale whether made by auction or private treaty. The extension of credit or finance by Inglis to a bidder at a prior sale shall not automatically apply at this sale, and it is a bidder's responsibility to reaffirm credit arrangements with Inglis prior to bidding.

- 6.6 Inglis shall be entitled, in its absolute discretion and at the expense of the vendor or the purchaser (as Inglis determines) to engage a veterinary surgeon to inspect and/or treat any lot.
- 7. PASSING OF TITLE**
- 7.1 Prior to the delivery of the lot to Inglis, the vendor must execute and deliver to Inglis all such documents as may be necessary to confirm registration of the lot with the Racing Information Services Australia Pty Ltd and to permit registration of the transfer of title to the lot from the vendor into the name of the purchaser, plus evidence of payment of all stud book and registration fees payable in respect of the lot up to the date of the sale.
- 7.2 Title in a lot shall not pass to the purchaser until the full purchase price and all other costs and expenses owed by the purchaser to Inglis or the vendor in respect of the lot have been paid by the purchaser to Inglis, notwithstanding that the purchaser may have taken delivery of the lot.
