

1/4/2020

Maurice x Northern Cath 18

Lot 112 Inglis Easter Sale 2020

Fernrigg Farm

I performed a full clinical examination of the above-mentioned yearling today. Eyes, heart and limbs were all within normal limits. There is no joint distension and the filly is sound at a walk and trot.

Please feel free to contact me should you have any queries regarding this report.

Kind regards,

Dr. Pádraig Kelly MVB, MRCVS, Cert ESM (Equine Sports Medicine), MANZCVS (Large Animal Radiology) N8631
