VETERINARY REPORT
LOT 132

Astern/ Pimpinella 18 bay or brown colt

Report requested by: Catherine Remond / Ashleigh Thoroughbreds

The above colt was examined today at Ashleigh Thoroughbreds, Scone.

The colt was clinically examined with auscultation of the heart, chest and abdomen as well as checking the colt's temperature. The horse was assessed as clinically normal with no lameness at the walk or trot. The colt has 2 palpable descended testicles and no abnormalities of the eyes on routine examination.

If you have any questions regarding this case please contact me at Scone Equine Hospital on the number below.

David O'Meara BVSc MANZCVSc

VPB Registration: NSW V5561

Please ensure that this report is forwarded to the horse's owner and the person responsible for the future care of the horse, as well as to the insurer, if applicable.
