VETERINARY REPORT 'PINOCCHIO'

Signalment: **One Year Old Thoroughbred Colt**

Vendor: **Tyreel Stud**

On 26th March, 2020, I examined '**Pinocchio 2018**' at Tyreel Stud. A clinical examination including ophthalmoscopic examination of both eyes and auscultation of his heart revealed no significant abnormality. He was sound at the walk and had four normal hoof capsules. He had a normal bite. He had two descended testicles.

On 27th March he weighed 560kg and stood 163cm tall.
