To Whom It May Concern,

If this filly LOT 244 is purchased by an Australian/International buyer where the filly is to be transported to Australia as soon as border restrictions allow, Little Avondale will cover all agistment, drenching and standard farrier costs for up to 90 days. If this filly was purchased to remain in New Zealand, we would cover the same, until such time as the restrictions are lifted and the filly can be transported within New Zealand. Any veterinary treatment due to injury or illness would be at the cost of the owner.

Regards
