

**1/4/2020**

**Medaglia d'Oro x Yolo Girl 18**

**Lot 293 Inglis Easter Sale 2020**

**Fernrigg Farm**

I performed a full clinical examination of the above-mentioned yearling today. Eyes, heart and limbs were all within normal limits. There was no joint distension and the colt is sound at a walk and trot. Two fully descended testicles are palpable.

Please feel free to contact me should you have any queries regarding this report.

Kind regards,

**Dr. Pádraig Kelly MVB, MRCVS, Cert ESM (Equine Sports Medicine), MANZCVS (Large Animal Radiology) N8631**
