VETERINARY REPORT 'CAPTIVATING CLAIRE 2018'

Signalment: **One Year Old Thoroughbred Filly**

Vendor: **Segenhoe Stud**

On 24th March, 2020, I examined 'Captivating Claire 2018' at Segenhoe Stud. A clinical examination including ophthalmoscopic examination of both eyes and auscultation of her heart revealed no significant abnormality. She was sound at the walk and had four normal hoof capsules. She had a normal bite. She had a healing cut over the point of the right hock, it is unlikely to become clinically significant.
