**VETERINARY REPORT 'ERIKA 2018'**

**Signalment:**            **One Year Old Thoroughbred Filly**

**Vendor:**                **Tyreel Stud**

On 26th March, 2020, I examined 'Erika 2018' at Tyreel Stud. A clinical examination including ophthalmoscopic examination of both eyes and auscultation of her heart revealed no significant abnormality. She was sound at the walk and had four normal hoof capsules. She had a normal bite.

On 27th March, 2020, she weighed 479kg and stood 159cm tall.
