**VETERINARY REPORT 'FASHION 2018'**

**Signalment:**            **One Year Old Thoroughbred Colt**

**Vendor:**                **Newhaven Park Stud**

On 27th March, 2020, I examined 'Fashion 2018' at Newhaven Park Stud. A clinical examination including ophthalmoscopic examination of both eyes and auscultation of his heart revealed no significant abnormality. He was sound at the walk and had four normal hoof capsules except an old, insignificant abscess defect on the inside of the left front foot.. He had a normal bite. He had two normal descended testicles.
